

## BOY WOUNDED BY SHOT FROM HUNTER'S GUN

MARK MILLER REPORTED  
IN "FAIR" CONDITION  
AT HOSPITAL

An eight-year-old Indianapolis boy suffered chest and head gunshot wounds while swimming south of Brunerstown about 7 o'clock Tuesday evening.

Mark Miller, 632½ Beecher Street, Indianapolis, was taken to the Putnam County Hospital, where his condition was reported as "fair" Wednesday morning.

State police at the Putnamville Post reported that the Miller boy and his cousin, Jimmy Mann, 15, were swimming on the Emil Mann farm, three miles south of Brunerstown, west of Greencastle on West Walnut street road.

A shot, believed fired by a squirrel hunter, struck the Miller youngster. Neither he nor his cousin saw any one in the immediate vicinity at the time, according to Sheriff Joe Rollings.

## Craig Hopes To Be A Delegate

INDIANAPOLIS (UP)—Former Gov. George N. Craig, his statehouse associates all swept out of office, says he plans to be a delegate to the Republican state convention next year.

He made the statement as he prepared to move from nearby Plainfield to Bethesda, Md., this week to closer to his Washington law office.

However, he told newsmen "Indiana always will be our home." "I plan to maintain active interest in Indiana political affairs and to be a delegate to the next state convention," he said.

## Grid Squad To Report Sept. 1

Forty-eight DePauw football candidates have been invited to report to Head Coach Bob Hicks for the opening of pre-season drills here Sept. 1.

Included are nine of last year's starters plus four other varsity lettermen, but more than one-half of the invitations have been extended to sophomores.

Beginning his second season at DePauw, Hicks will have three weeks to prepare his charges for their 1957 debut, a non-conference affair here Sept. 21 against Illinois Wesleyan.

On the following Saturday the Tigers will meet last year's Indiana Collegiate Conference titlist, St. Joseph's, in the first of five successive league contests.

Headed by all-conference tackle Dwight Tallman, returning DePauw starters in the line will be ends Pat Ewing and Jack Johnson, tackle Ron Gallene, and center Dave Bridgford.

Working to retain starting backfield assignments will be Morris Goodnight, top-signal caller for the past two seasons, and halfbacks Dick Hackenberg and Tom Campbell.

Missing starters are fullback Skip Mathieson, most valuable player in 1956, and guard Ron Turner, two-time most valuable lineman. Mathieson graduated, and Turner was tripped up by grades.

Best bet to replace Mathieson is a junior letterman, George Mestousis, who averaged 4.5 yards per carry last season. Other available award-winners include end Jim Braden and halfbacks Dene Knight and Ernie Modzelewski.

## 20 Years Ago HERE AND THERE

Mr. and Mrs. Charles Ewan left on a vacation trip to Florida. A Greencastle degree team gave the work at a district meeting of Rebekah Lodges in Pittsboro. Members of the team were Sally McNeely, Olive Brown, Kate Houck, Maude Friend, Mary Trout, Maude Snider and Gladys Leucus.

## H. S. YOUTH DIES

## WIN PLOWING HONORS

DECATUR, Ind. (UP)—Norman E. Comer, Greensburg, and Wilfred Oldfather, North Manchester, Tuesday won division honors in the state plowing contest on a farm near here.

## Milk Strike To Involve Putnam Co.

INDIANAPOLIS (UP)—Dairy Producers, Inc., said today its members will strike Oct. 1 unless an agreement on milk prices is reached with three Indianapolis distributors.

George Sandefur, of Danville, president of the group, said its board members voted unanimously Tuesday night to strike after a meeting with the distributors failed to materialize.

"The farmer is desperate," said Sandefur. "If we can't get \$5.50 for 100 pounds of butterfat, we'll give our milk away."

Central Indiana dairy farmers now get \$4.05 per 100 pounds of milk. A walkout would affect 20 counties in the Indianapolis area.

Dairy Producers called another meeting for Sept. 9.

"We'll send a letter to the milk distributors," said Sandefur. "If they want to meet with us, that's fine. If not, we'll proceed with the strike."

## .71-Inch Rain Recorded Here

Rainfall in Greencastle Tuesday night totaled .71 of an inch as recorded by The Daily Banner gauge.

The rain was general in this section of the state and was even heavier east of here as Indianapolis reported .85 of an inch of water.

The Indiana weather forecast for today was partly cloudy and cool with scattered showers and thunderstorms.

## 124 To Receive Reading Diplomas

The summer reading club, "Growing with Books," sponsored by the Greencastle - Putnam County Library, closed August 10, with 124 boys and girls having completed the reading for diplomas. Of this group, 28 boys and girls were from the County Schools, 44 from Miller School, 38 from Jones School and 14 from Ridgpath School.

The Board of Trustees and the Library Staff will sponsor a party for the boys and girls who have completed the reading, on Saturday morning, September 7, at 11:00 o'clock DST, and the reading diplomas will be awarded at this time.

## INDIANA STATE FAIR OPENING DRAWS THROG

4-H GROUP JUDGING IS  
WELL UNDERWAY FOR  
THE WEEK

INDIANAPOLIS, UP — Indiana's 105th annual State Fair, emphasizing the theme "Progress Through Education," opened a 10-day stand and officials predicted it will be the best yet—but not necessarily attendance-wise.

Fair Board President Lowell G. Taylor of Owensville estimated the total attendance at 750,000. That would be nearly 100,000 less than last year's record.

"If we can have 750,000 people I will be happy," Taylor said. He based his estimate on county fair attendance.

"As you go to the county fairs all over the state most of them have been down a little," Taylor said.

The gates opened at 12:01 a. m. today. Five gates will stay open 24-hours a day the rest of the fair.

Taylor said the fair would be better this year because of the "garnish or glamour which have been added."

He cited the theme of the fair as one of the reasons for increased interest this year.

But the "old familiar and loved" features of fairs will be the backbone of the big show.

Judging began at 7:30 a. m. and will continue throughout the fair as more than 8,500 exhibitors compete for \$434,088.08 in prizes. Taylor said this represents an increase of nearly \$16,000 over last year.

"This more than insures the Indiana State Fair's title of 'top fair' in the country," Taylor said.

In addition to judging of steers, vegetables, chickens, sheep and swine today, there will be a tractor pulling contest, an all western horse show and two professional shows.

## CALL IT ANYTHING

WASHINGTON (UP)—Is it Oriental flu, Asiatic flu or Asian flu?

All three names have been used since the new virus was discovered in Hong Kong last April.

There is no "official" name, but the U. S. Public Health Service has recently settled on the term "Asian flu." This usage is now rapidly becoming standard in medical and scientific papers.

But "Asiatic flu" is all right too. Many of the Public Health Service doctors use it in conversation.

## Reds Reject All Western Plans

LONDON (UP)—Harold E. Stassen still hopes "something can be salvaged" from the disarmament conference here despite Russia's repeated rejections of Western arms reduction plans, it was reported today.

Sources said the U. S. delegate will seek Soviet acceptance of his "minimum open skies" proposal covering air inspection of the Arctic—when the arms talks resume today.

Russian Deputy Foreign Minister V. A. Zorin, who flatly rejected Stassen's "maximum" air inspection plan Tuesday, brushed off the minimum proposal at the same time as something that could "hardly be regarded seriously."

Stassen was said to feel that left the door open to further discussion of the issue.

Meanwhile, the Soviet propaganda machine was blasted out Russia's claim to have tested a successful intercontinental ballistic missile. A Radio Moscow broadcast today said the claim "ought to cool off Western hot-heads."

"Never since the U.S.S.R. built its hydrogen bomb has Russian defense made such a gigantic step forward," the Soviet radio said. "This ought to cool off hot-heads like Gen. Lauris Norstad, who planned to attack the U.S.S.R. from four sides."

The broadcast said Russia will continue to "work unflinchingly" for a disarmament agreement on Soviet terms.

## IKE IS SORRY

WASHINGTON (UP)—The White House said today that President Eisenhower was "disappointed" by the Democrats' election victory in Wisconsin and feels the Republican Party took a "bad licking."

Eisenhower's reaction was relayed to reporters by Press Secretary James C. Hagerty after he and the President discussed the surprise upset victory of Democrat William Proxmire over former Gov. Walter J. Kohler, an Eisenhower Republican, in Tuesday's special Senate election.

"Of course, he (the President) is disappointed that Walter Kohler was not elected to represent the people of his state in the Senate," Hagerty said.

## Democrats Win Wisconsin Vote

MILWAUKEE (UP)—Democrat William Proxmire, Wisconsin's upset choice to replace the late Sen. Joseph R. McCarthy, asked state officials today to cut unnecessary red tape so he can get to Washington immediately.

The 41-year-old baldish Proxmire defeated former Gov. Walter Kohler, an Eisenhower Republican, by a whopping 116,000-vote majority.

The state Democratic Party called the election of Wisconsin's first Democratic senator since 1932 "an earthquake victory."

Proxmire asked the Wisconsin secretary of state to accept unofficial returns and certify him as the state's newly-elected senator.

"I'm anxious to get to work," Proxmire said.

His victory increased the Democrats' ratio in the Senate to 50-46. Democrats in the state and nation hailed Proxmire's election in this traditionally Republican state as a "revolt" of farmers and small businessmen against the Eisenhower administration.

Proxmire was ahead of Kohler in the balloting from the start. A trend was evident shortly after the polls closed when returns from traditionally GOP precincts gave Proxmire the edge.

His lead mounted steadily. At 10:12 p. m., he claimed victory and 25 years of Democratic frustration was ended.

At his home in Kohler, Wis., Proxmire's foe, who had beaten him twice in gubernatorial elections, refused to comment.

Kohler's expected strength in rural areas never materialized. Proxmire won 56 of the state's 71 counties. He also nailed down populous Milwaukee county, which had been viewed as pivotal.

Proxmire will serve out the remainder of McCarthy's term, which ends in January, 1959. Even as the vote totals came in, Proxmire was looking ahead to campaigning for the full six-year term.

Returns from all of the state's 3361 precincts gave Proxmire 435,523 and Kohler 318,894.

Three other independent candidates never were in the running and got fewer than 25,000 votes combined.

## WINDS DELAY BLAST

LAS VEGAS (UP)—Strong northeast winds have forced the Atomic Energy Commission to postpone for 24 hours the firing of a delicate nuclear device called "Smoky."

## HUMBERT TO SPEAK

Dr. Russell J. Humbert, president of DePauw University, will appear as the banquet speaker at the Lambda Chi Alpha fraternity's national leadership workshop in Muncie Thursday evening.

Scheduled to end Friday on the campus of Ball State Teachers College, the week-long seminar has attracted approximately 500 members of the fraternity from throughout the country.

## COLORADO HAS ANOTHER PRISON RIOT TUESDAY

GUARDS CHARGE INTO RIOT-ERS; ALL QUIET TODAY

BUENA VISTA, Colo. (UP)—A small band of guards charged into a mob of 100 rioters at the Colorado Reformatory Tuesday night and quelled the disturbance within an hour.

Warden James Thomas said he couldn't understand the outbreak of violence which left one inmate dead and two others gravely injured.

"The only reason we've heard is that the boys thought they were worked too hard," Thomas said.

Most of the 380 inmates, some teen-aged first offenders and others with extensive criminal records, work on farm land and are now in harvest season.

Everesto Gomez, 23, of Denver, who touched off the riot by attacking guard Robert Alinger with a table leg, was shot to death.

Gov. Steve McNichols ordered an investigation today of what Thomas called the first major outbreak at the reformatory "to my knowledge." Thomas has been warden here for 13 years.

The warden said "everything had been normal and quiet. There had been no indication that a riot was impending."

He said it was started by eight or nine ringleaders, all of a hardened type, but punishment will "wait until the governor investigates."

Richard Benjamin, 19, and Jerry Troxell, 21, underwent surgery for gunshot wounds in the back and stomach at Rio Grande Hospital at nearby Salida, Colo.

Alinger, the guard, was in fair condition with a possible skull fracture. Another guard, Sam Montgomery, about 45, was beaten on the head. He was released from the hospital after treatment.

## 15 KOREANS DROWNED

PUSAN, Korea (UP)—Fifteen Korean women drowned in Pusan harbor Tuesday when their sailboat was capsized by high waves, police reported today.

Police said only three bodies have been recovered so far.

## HERE 'TIS

## GOODNIGHT WILL HEAD KIWANIS

LAFAYETTE DRUGGIST IS  
ELECTED GOVERNOR AT  
FRENCH LICK MEET

FRENCH LICK, Ind. (UP)—M. M. Goodnight, Lafayette druggist, Tuesday was elected governor of the Indiana District of Kiwanis International for 1958.

Goodnight was named to succeed Lorin J. Badesky, North Manchester, as the organization closed its 40th annual convention.

Among other officers elected were Robert H. Suckow, Franklin, secretary, and George Liet, Columbus, treasurer.

The following were named lieutenant-governors: Carl Taylor, Gary; Virgil McCleary, Warsaw; Dr. Harry Harvey, Fort Wayne; Owen Moore, North Manchester; Dr. Dale Berkebile, Rochester; Ralph Leatherman, Tipton; Darwin Williamson, Portland; Walter Hayes, Anderson; Arthur Group, Indianapolis; Victor Frisch, Richmond; Wilson Thrasher, Bloomington; Robert Mason, Shelbyville; Eugene Spencer, Shelby; Albert Rosenberg, Vincennes; George St. Angelo, Huntington; William Hendrickson, Poseyville; and Curran Reed, Boonville.

## WINS HAMBLETONIAN

DU QUOIN, Ill. (UP)—Hickory Smoke, a crippled bay colt of blue ribbon lineage, had to trot the second and fourth fastest heats in Hambletonian history to convince his driver, Johnny Simpson, that he could win trotting's richest 3-year-old stakes.

Then he coasted home by half-length in front of Hoot Song, the daughter of another Hambletonian winner, to grab the top possible prize of \$47,517.62 in the 32nd running of the famed harness event.

## Gov. Handley Sees Road Future

WASHINGTON (UP)—Gov. Harold Handley expressed confidence Tuesday that Indiana's tangled highway affairs would be straightened out by state officials and the Federal Bureau of Roads.

Handley told newsmen the Federal agency "is very happy" with new Indiana highway department procedures and "the way we've taken up the ball." He made the statement following a meeting of the Indiana Highway Commission with Federal Highway Administrator Bertram Talamy and his staff.

The Hoosier officials sought release of three million dollars in federal aid for right-of-way purchases for Indiana's interstate highway system.

The government has pledged the money as its share of the state's highway right-of-way buying program but froze the funds when alleged land-buying irregularities cropped up in a series of scandals last April.

"All we're trying to do is clear up this mess and get moving forward with the highway program," Handley said.

He said the funds are being held up in connection with land purchases for the Madison Ave. Expressway in Indianapolis and the Tri-State Expressway in Gary. He added it was difficult for state officials to justify the purchases now because many of the original records have disappeared and the land either has been cleared or already used for roadway.

However, Handley said state officials hoped to work out a bookkeeping procedure which would prove satisfactory to federal authorities so Indiana could eventually receive the "frozen" aid.

Handley said the state might get all the money when the accounts are finally worked out. But he said the program would go ahead even though the freeze on the aid payment could slow down the state's road-building activities.

Hoosier officials with Handley at the meeting were Highway Chairman John Peters, Commissioners Charles Maddox and Eugene Bodine and Commission Executive Director George M. Foster.

## HOSPITAL NOTES

Dismissals: Agnes M. King, Ladona Sutherland, Mrs. Richard Petrytus and daughter, Greencastle; Janet Figley, Stilesville; Everett Logan, Reelsville; Mrs. Robert Ross and daughter, Coatesville; Mrs. Odus Tucker and son, Spencer; Currie Hart, Fillmore.

## Seizure Fatal To Howard Walters

Howard (Pete) Walters, age 48 years, passed away suddenly Tuesday afternoon at his home northwest of Greencastle. He suffered a heart attack while sitting in his front yard.

Mr. Walters was born April 30, 1909, near Broad Park in Putnam County. He had lived in his present farm for the past five years, and prior to that time, he resided north of New Winchester.

Survivors are the wife, Florine; three children, Rebecca Ellen, Anita Louise and Terry Lee; his mother, Mrs. Rebecca Walters; three brothers, Preston Walters, Stilesville, John Walters, Brownsburg, Virgil Whitaker, Stilesville; one sister, Ola Ballinger of Matton, Illinois.

Funeral services will be held Friday at 2 p. m. from the Powell Funeral Home in Coatesville. Rev. Conrad Clearwaters will be in charge. Interment will be in the Stilesville cemetery.

Friends may call at the Powell Funeral Home.

## STATE POLICE REPORT ON WEEKEND TRAGEDIES

INDIANAPOLIS (UP)—The latest Indiana state police figures today reveal last week's traffic deaths: 30 deaths through midnight last Sunday—double the previous week's toll.

However, the grand total for the year of 670 remained 48 lower than for the corresponding period of 1956.

At the same time, authorities urged Hoosier motorists to "hold the line" during the long Labor Day weekend.

"Labor Day is the start of the critical time of the year," said Capt. H. W. Mow, director of the department's accident records. He warned that heavy holiday traffic, the opening of school and variable fall weather spell for trouble "unless drivers adjust to these changing conditions."

## 2 Accepted For Medical School

Robert Fuson, Greencastle, and Marilyn Louise Asher, of Roachdale, have been selected for admission this fall to the Indiana University School of Medicine. Fuson did his pre-medical work at DePauw University and Miss Asher did hers at Indiana University.

Eight other students admitted to this year's medical class did their pre-medical work at DePauw University. They are: Joseph M. Beals, Noblesville; James R. Brown, Valparaiso; Murray M. DeArmond, Jeremy H. Jordan and James M. Vendevier, Indianapolis; Carl E. Dillman, Jr., Corydon; Jay S. Reese, Martinsville, and John L. Yarleng, Anderson.

Itsuro Hayashi, one of Japan's foremost criminal lawyers, said he has agreed to take the case of Pfc. Archie L. Mason, 20, Miners Point, Mo.

Mason is charged with injuring two Japanese boys July 13 when his motorcycle collided with their bicycles. The accident took place at Ozumi City, 50 miles north of Tokyo.

The question of jurisdiction, which aroused such passions in the Girard case, did not enter in the Mason case. Mason was off duty and Japan thus had primary jurisdiction.

## Ike May Veto Federal Wage Hike

WASHINGTON (UP)—Republicans predicted today President Eisenhower will veto as inflationary Congress-passed pay boosts for 1,488,000 federal workers.

The two big pay boost bills would fatten the pay envelopes for postal and government white collar workers an estimated 1,488,000 federal workers.

## FATHER HURLS CHILDREN, SELF TO DESTRUCTION

QUEBEC CITY HARBOR IS  
SETTING FOR FAMILY  
TRAGEDY

QUEBEC CITY, Que. (UP)—A high-ranking police official Tuesday night hurled two of his children to their deaths in the St. Lawrence River, then leaped to his own death clutching his third child.

Authorities said Roland Masse, 42, chief of the detectives in the Quebec City police force was walking along a pier when he suddenly flung his son, Richard, 4, and a daughter, Michelle, 8, into the harbor.

The third child, Lisette, 12, ran along the pier, screaming hysterically for help. But, as bystanders looked on in horror, Masse caught the child when she tripped over a coil of rope. He then leaped into the water clutching her in his arms.

Crew members of a ship tied up nearby threw life buoys into the water in a futile rescue attempt.

Authorities said Masse had appeared depressed the last two months. They said he left his office Tuesday evening, went home and told his wife he was taking the children for a drive in a police cruiser.

The children were walking along the pier with their father as darkness was setting in when he suddenly turned on them.

Authorities said it probably would be at least two days before any of the bodies could be recovered because the tragedy took place during an ebb tide.

## Hoffa Must Answer Charges

WASHINGTON (UP)—By filing corruption charges against James R. Hoffa the AFL-CIO has given a tip-off that it opposes him as president of the giant Teamsters Union, informed labor sources said today.

Elevation of Hoffa now from vice president to president of the Teamsters would almost insure the ouster of the union from the AFL-CIO, the sources said.

The AFL-CIO Ethical Practices Committee Tuesday sent the charges against Hoffa, Teamster President Dave Beck and Vice Presidents Frank Brewster and Sidney Brennan to the Teamsters Union. The charges will be aired before the committee late next month.

## Jap Attorney To Defend Yank

TOKYO (UP)—The Japanese attorney for Army Specialist 3C William S. Girard said today he will defend another American soldier facing trial before a Japanese court.

Itsuro Hayashi, one of Japan's foremost criminal lawyers, said he has agreed to take the case of Pfc. Archie L. Mason, 20, Miners Point, Mo.

Mason is charged with injuring two Japanese boys July 13 when his motorcycle collided with their bicycles. The accident took place at Ozumi City, 50 miles north of Tokyo.

The question of jurisdiction, which aroused such passions in the Girard case, did not enter in the Mason case. Mason was off duty and Japan thus had primary jurisdiction.

## Billy Graham Issues Warning

NEW YORK (UP)—Evangelist Billy Graham said Tuesday night he felt he should "warn the American church the day may come when those who live for Christ may suffer persecution."

"It may be soon," Graham told an overflow audience of 19,200 in Madison Square Garden.

He said the godless, anti-Christian forces of communism are making steady advances every day and "we now see Syria

going behind the Iron Curtain and a heavy Communist vote in Indonesia."

"The Russians now have a terrible intercontinental ballistic missile capable of destroying any city they chose, including New York," he said.

"Many in Washington believe the balance of power has shifted to Russia. The men in the Pentagon are worried. It is time we woke up to our citizenship duties as well as the necessity for living a Christian life."

### TOT KILLED BY CAR

ANDERSON (UP)—Five-year-old Janice Marie Armstrong was killed late Tuesday when she ran into the path of an automobile near her home.

## Dr. Burney Hopes For Asian Flu

WASHINGTON (UP)—Surgeon General Leroy E. Burney forecast today that between 80 and 85 million doses of Asian flu vaccine will be produced by Jan. 1.

That is enough to inoculate about half of the U. S. population. The vaccine is the only known protection against the flu epidemic which is expected to sweep the nation this fall or winter.

The new forecast represents an increase of more than 50 per cent over the vaccine production rate previously announced by the U. S. Public Health Service. Earlier official estimates called for production of about 60 million doses by Feb. 1.

Burney, head of the Public Health Service, gave the revised estimate to reporters as he met with state and territorial health officers for the windup session of a two-day conference on flu epidemic preparations.

Other public health officials said the vaccine is expected to pour off the production line at a rate of 20 million doses a month, or more, after Sept. 1. So far, about 500,000 doses have been released to the public and 1,200,000 doses are due for release late this week.

Dr. William H. Stewart, assistant to the surgeon general, told the conference that despite the increased production rate, "demand for the vaccine is going to exceed supply for some time."

First in line for vaccinations, he said, should be doctors, nurses and others who "care for the sick," and persons who suffer from "chronic diseases" such as heart trouble, diabetes and tuberculosis. The latter are particularly susceptible to the serious complications, such as pneumonia which sometimes follow flu.

## Police Seek Two In Torso Case

CHICAGO (UP)—Police Capt. Harry Penzin said today authorities are "unearthing important developments" that could lead to a motive for the torsos laying of Judith Mae Anderson, 15.

Penzin, who heads the investigation into the murder, revealed police are seeking two teen-agers for questioning in the case.

Authorities said they wanted to question Nicholas Abbatacola, 18, a brother of Judith Mae's girl friend, and Terry Johnson 15, another girl friend of the victim. In hopes they might be able to shed light on the mystery.

An attorney for the Abbatacola family said Nicholas would be available for questioning today. The Johnson girl was reported to be on a vacation in New England with her parents.

Police also reported that a cab driver, Shy Diamond, told them he saw a girl answering Judith Mae's description enter a car with two men the night the victim disappeared. The episode occurred about 10 blocks from the Anderson home.

Penzin said he wanted to question the Johnson girl about a friend who owns a boat and once allegedly offered to take Judith Mae for a ride in it.

Judith Mae's butchered body was found in two oil drums floating in a Lake Michigan harbor.

The Chicago Tribune offered \$50,000 for information leading to the killer's arrest and conviction, and the Robert O. Law Co., where the victim's father is employed, offered a \$1,000 reward.

### WOMAN IS SURPRISED

INDIANAPOLIS (UP)—When Julia Price walked into police headquarters Tuesday night to inquire about her automobile which was towed away, she was in for a surprise.

Two alert policewomen recognized her as a suspect in a fraudulent check scheme and promptly booked her on preliminary charges of burglary and issuing bad checks.

Also taken into custody on a similar charge was a companion, Corbin E. Neeley.

## Air Force Waste Being Investigated

WASHINGTON (UP)—The Senate Investigating subcommittee today sought to learn from Air Force officials how 44 million dollars worth of excess spare parts accumulated at nine Arctic bases.

Maj. Gen. John D. Ryan, director of materiel of the Strategic Air Command, was called as an early witness. The Strategic Air Command took over major bases in the area from the Northeast Air Command last April 1.

The subcommittee had been accumulating since the Korean War. Some spare parts were stored on the Arctic beaches and were damaged by the weather, it said. Committee Chairman John L. McClellan D-Ark. said the Air Force, Defense Department and Army learned of the excess supplies from the committee, opened their own investigation and are expected to improve the supply system.

McClellan said that in one case, a warrant officer buried \$33,000 worth of extra parts.

The chairman said the subcommittee wants to know the amount of government waste involved in the case, whether similar excesses exist around the world, and whether the Air Force supply system operates efficiently.

McClellan said, the military investigation, still continuing, has turned up millions of dollars worth of excess parts.

The annual reunion of the Class of '41 of the Reelsville High School was held Sunday, August 25, at Forest Park, Brazil.

A delicious pitch-in dinner was enjoyed by all at the noon-hour. Thanks was returned by Warren O'Conner.

Those attending and enjoying the day were: Mr. and Mrs. Paul Jackson, Susie, Tommy and Roger, Mr. and Mrs. Emerson Clark, Steve and Becky, all of Brazil; Mr. and Mrs. Carl Spelbring, Carol Ann and Allen of Poland; Mr. and Mrs. Reese McCullough, Lorretta and Larry of Reelsville; Mr. and Mrs. Wilbur Carmichael, Joyce and Jody of Manhattan; Mr. and Mrs. Warren O'Conner, Teddy and Eddie of Plainfield, and Mr. and Mrs. Charles Perkins, Arthur and John of Greencastle.

All left late hoping to meet again next year the last Sunday in August at Forest Park.

### Clubs Meet At County Home

The Roachdale Country Reading Club and the New Maysville Community Service Club journeyed to the County Home Aug. 22nd for their regular monthly meetings.

We visited with the nineteen elderly persons who make their home there and were shown

## through the home by Mr. Irwin.

About 3 o'clock a program was given as follows: accordion solo by Darlene Jeffries; solo by Waneta McMurtrey, two flute solos by Mary Jayne McGuire, song by little Marilyn McMurtrey, accordion music and solo by Darlene Jeffries and a duet by Darlene and Mary Jayne. The club concluded the program by singing a tribute to Mr. and Mrs. Irwin for their kind hospitality.

After our pictures were taken by one of the men at the home, the dinner bell rang and the elderly folks went to their places in their dining room. Prayer was offered by Merrita Pressor and they were served sandwiches, coffee, cake, cookies and ice cream by the clubs and the home. Sticks of candy were given to each by Marilyn Hubbard and Sally Sutherland. The same was served to all present. Our guests were Chauncey Sutherland, John Sullivan, Darlene Jeffries, Mary Jayne McGuire, Marilyn Hubbard, Sally Sutherland and Marilyn McMurtrey.

We departed hoping we had brought some joy to the elderly persons of the home and thanks to Mr. and Mrs. Irwin for their kind and charming hospitality.

## Mrs. Vernon Singleton Is Guest Of Honor

An informal get-together was held in the home of Mrs. Charles Poe, which was attended by Mesdames Emory Brattain, Fred Thompson, Eldon Brattain, Haskell Rice, Wendell Brattain, Wendell Pell, Clifford Frazier, and Mrs. Lorene Blacketer. An out-of-town guest was Mrs. George Stewart and the honor guest, Mrs. Vernon Singleton.

## House Is Against Huge Increase

WASHINGTON (UP)—House conferees took a firm stand today against a \$500,000,000 increase in this year's foreign aid appropriation voted by the Senate. Their Senate counterparts insisted the extra money is needed.

Rep. Otto E. Passman, D-La., hinted that the House group might buy "some small part" of the increase although he said the evidence now is that the House voted not too little money for the aid program—but not much.

Passman is chairman of the House delegation named to the House-Senate committee to reconcile differences between House and Senate aid bills for the current fiscal year.

The House voted \$2,524,760,000. The Senate upped this to \$3,025,660,000 Tuesday, acting partly on the insistence of President Eisenhower that the House had cut so deep as to imperil the national security. Eisenhower had demanded \$3,367,083,000.

Despite the customary tough talk in advance, it appeared likely the proof would come up with a compromise version somewhere in mid-ground between the conflicting versions. It was reported some House leaders felt the House had wielded the ax too heavily.

However, Passman made it plain he does not share any such feeling. He was asked whether the Senate had received new evidence since the House acted which would justify restoring part of the House cut.

"The new evidence they have received indicates we didn't cut far enough in the House," he replied.

The Senate Tuesday passed its beefed-up bill by a 62-25 vote after rejecting the only serious appeal to cut it. The Senate included 667 million dollars in unspent carry-over funds from other years to give the program a total of \$3,692,710,000 to spend in the new fiscal year.

The only test for the Senate bill came when the chamber voted, 59-23, to uphold its Appropriations Committee's recommendation for an increase of 225 million dollars in funds for military aid over the House bill.

## Neal Is State GOP Secretary

INDIANAPOLIS (UP)—The forces of Governor Handley and Sen. William E. Jenner were in complete command of the Indiana Republican State Committee today.

They completed the sweep Tuesday with the election of Noblesville newspaper editor James T. Neal as Indiana GOP Secretary.

Observers said Neal's election was merely a formality. He replaced John C. Sellers of Franklin, the last of the four top GOP officers ousted by the Handley faction of the Hoosier GOP party.

Neal will serve part-time at a salary of \$3,000. A full-time assistant at \$5,000 a year will be named later.

Sellers received \$12,000 annually. He resigned last month at the request of Handley.

The committee also announced plans for three events—the Indiana Republican Editorial Association meeting in Indianapolis Sept. 21, with Handley as speaker; a \$100-a-plate Indianapolis fund-raising dinner Oct. 9, the speaker to be announced, and a Young Republican rally at Evansville Oct. 19.

need three or four diamond tricks to make sure of his contract. Hence he went right after the diamonds.

Declarer led the queen of diamonds at the second trick. West covered with the king of diamonds, and South thought before he acted.

## NORMAL REACTION

The normal impulse is to reach for dummy's ace of diamonds and win the trick. If you do that, you will live to regret it.

You can take the first diamond, and then the second diamond, but you will never get another dia-

mond trick. With only two diamond tricks, you will not make the game contract.

The correct play is to let West win the second trick with his king of diamonds. One diamond trick must be lost in any case, and the first trick is the one to lose.

The advantage is that you are now in position to take the second trick with the jack and the third diamond with dummy's ace. By this time, the rest of the diamonds are good—and you are in dummy, in position to take the rest of the suit. In this way you

win four diamond tricks instead of only two.

Partner deals and bids two no-trump. The next playing passes, and it is up to you, holding: S—K 10 H—Q 5 4 D—A 7 6 5 4 C—K 4 3. What do you say? Answer: Bid six no-trump. You have 12 points, and partner has 22 to 24 points. The partnership total should be 34 to 36 points, ample for small slam, but not enough for a grand slam.

## FERN

Mr. and Mrs. Ernest Heber entertained Sunday in honor of

Mr. A. P. Stoner's birthday of Aug. 22. Those present were Mr. and Mrs. Earl Heber of Gulfport, Fla.; Mr. and Mrs. Joseph Shaughnessy of Clarksville; Mr. and Mrs. Robert Burks and daughters, Anna Mae, Jane, and Barbara; Mr. and Mrs. Don Heber and daughter Ruth and the honored guests Mr. and Mrs. A. P. Stoner. They all enjoyed a bountiful pitch-in dinner. After noon callers were Mr. and Mrs. Robert Targett and family of Knoxville.

Mrs. Roy Higgins has been on the sick list for the past week.

Mr. and Mrs. Raymond Miller Jr., and family of Limestone, called on Mr. and Mrs. Robert Burks and daughters Saturday evening.

Miss Jane Burks is helping out at the Limestone store while Mr. and Mrs. Ivan Cook are on vacation in Kentucky this week.

Mr. and Mrs. Ralph Furney called on Mr. and Mrs. Joy Cummings Sunday. Mrs. Furney was home for the day from the Rockville Sanatorium.

Fern was a busy place over the week end with campers, squirrel hunters, fishermen and the Heber fresh vegetable and melon stand.

**SEEK A COMPROMISE**  
WASHINGTON UP—A House Senate committee today sought a compromise bill to safeguard the secrecy of the FBI's confidential files.

Passage of some legislation to spell out a limitation as to know much FBI information a defendant is entitled to was virtually assured in the closing days of the session. Both the House and Senate have approved bills to modify the effect of a Supreme Court decision in the Jencks case.

The question the House-Senate conference committee will decide is a matter of degree. The House bill passed Tuesday is considerably tougher than the Senate version. The administration and the FBI have backed the House bill.

## Hoosiers Vote For Civil Rights Bill

WASHINGTON (UP) — All seven members of Indiana's congressional delegation present voted with the majority Tuesday as the House approved the amended Civil Rights bill.

They were Republicans Ross Adair, Charles Brownson, Charles Halleck, F. Jay Nimitz and Earl Wilson, and Democrats Winfield Denton and Ray Madden.

Four other Hoosier House members apparently were absent.

## THE DAILY BANNER WED., AUG. 28, 1957 Page 6 GREENCASTLE, IND.

**RETIRED FARMER KILLED**  
WASHINGTON Ind. (UP) — George Nolley, 78, Washington, a retired farmer, was injured fatally Tuesday when he was struck by an automobile at an intersection here.

**ESCAPES DEATH HIN CAVE-IN**  
NEW CASTLE (UP) — Lewis Stomm, 41, narrowly escaped death Tuesday when he was buried under 10 feet of sand and gravel in a cave-in at a gravel pit three miles west of here. Fellow workers and state highway workers dug him out. He was reported in "fairly good" condition at Henry County Hos-

## FORESEES DANGER

WASHINGTON (UP) — President Eisenhower said today that persistent Soviet scorn for Western arms reduction proposals might condemn humanity to "an indefinite future of immeasurable danger."

## SUPPLY IS SHORT

ST. LOUIS (UP) — Courteous drivers, apparently, are in short supply at St. Louis.

Tuesday, 80 persons taking part in the Allied Forces' Assn. "courage parade" took to the streets with 100 bouquets for police motorists.

They had 30 of them left over.

THE FILM INDUSTRY is rallying its forces into a solid front against expose-type publications. Chairman of the group is actor George Murphy (center). Others in the organization are (from left) actor Ronald Reagan, Lou Greenspan and Ken Englund.

**7th SET OF TWINS**  
JOHANNESBURG, South Africa (UP)—Mrs. Martha Moyo of Meadowland, Johannesburg, reluctantly exhibited her seventh set of twins today and said: "It must be sort of punishment from God."

#### SUICIDE VICTIM

INDIANAPOLIS (UP)—Authorities Tuesday found the body of Robert C. Newman, 37, Indianapolis, in his parked car here. They said Newman apparently committed suicide. A hose was found running from the exhaust through the rear window of the car.

#### DAGGER RECOVERED

NEW YORK (UP)—An Indonesian diplomat has his deadly "good luck" dagger back and a 16-year-old boy is accused of stealing the \$3,000 weapon. The 7th Century Oriental dagger, dipped in poison, disappeared Aug. 17 from the apartment of Koesmartono Prawotoadikoesomo, of the Indonesian consul general's office. Police said Ernest Raymond, son of the apartment house superintendent, admitted stealing it and washing off the poison. The diplomat said the dagger has been in his family for generations and "is good luck to me."

#### EVANSVILLE MAN HELD ON BOMBING CHARGES

EVANSVILLE (UP)—A preliminary charge of placing explosives to destroy property was filed in City Court today against Donald Ray Heard, 32, Evans-

ville, in connection with two mysterious explosions which rocked a church and beverage firm here Tuesday.

Heard, placed under \$10,000 held at City Jail. Police said he denied any knowledge of the bombings.

#### FUNDS FOR JEWISH CENTER

BERLIN (UP)—The West Berlin city government said today it will provide \$250,000 for construction of a Jewish community center. The center is to be built on the site of West Berlin's largest synagogue, which was destroyed by the Nazis.

#### HELD IN KENTUCKY

KENDALLVILLE, Ind. (UP)—FBI agents in Kentucky have arrested Silas Stone, 32, wanted in connection with the knifing of a former Wolcott High School basketball star, Noble County Prosecutor Louis G. Ketcham said Tuesday. Ketcham said Stone was to be turned over to Noble County authorities for allegedly stabbing Paul Sturgis, 19, after forcing Sturgis to stop his automobile July 5. Sturgis is recovering from knife wounds.

## Pullman Firm Suspends Work

MICHIGAN CITY (UP)—The Pullman Standard Railroad Car Manufacturing Co. here has closed its box car erection tracks for an indefinite period, company officials announced.

Officials said a small force of the firm's 1,300 workers will be retained in departments other

than the assembly line. In addition, about 300 men are expected to be called back Sept. 9 to work on Baltimore & Ohio Railroad parts orders.

The closing will allow time to fill a production gap caused by the inability of a railroad customer to accept delivery on a box car order now in production, officials said.

Works Manager A. Loggmann said "every effort is being made to keep our down-time to a minimum."

Earlier, the company had issued an order saying the plant

## Father Held For Leaving Children

KEOKUK, Iowa (UP)—Sheriff's police today held a father who allegedly drove off from a DeWitt, Iowa, motel last Friday, leaving his seven children to shift for themselves.

Clinton County authorities said they planned to file child abandonment charges against Francis Smith, 52, Fort Wayne, Ind., would close next Monday.

## Woman Requires Rare Type Blood

KEOKUK, Iowa (UP)—Hospital authorities today sought donors with the rare R-H negative "O" type blood for a woman who was operated on to remove a pair of surgical forceps left in her abdomen 14 years ago.

Doctors at St. Joseph Hospital said Mrs. Dorothy Nilson, 45, is

in fair condition but needs transfusions of the rare blood.

Mrs. Nilson was operated on in a Chicago hospital 14 years ago. Complaining of a pain in her

abdomen, Mrs. Nilson went to her doctor recently. An X-ray disclosed surgical forceps had been left in her abdomen in the earlier operation.

## IKE AND LOYAL OPPOSITION

PRESIDENT EISENHOWER and Lyndon Johnson (right), Senate majority leader, hold an animated conversation in the White House doorway after a brief conference. The Democratic senator assured Ike he would press to restore \$500 million of a cut made by the House in foreign aid. Shortly afterwards, the Senate appropriations committee restored that amount.

## JET BOMBER HITS THE DECK--AND THE OCEAN

MAKING A TEST FLIGHT in the eastern Pacific, an A3D-2 Skywarrior twin-jet bomber attempts a landing on the USS Ticonderoga. The arresting gear didn't hold and the pilot, knowing the next stop was the ocean, pulled the plane's nose up (top left). The 23-ton craft sent spray flying as it hit the water (top right). The nose section broke free and the pilot and crewman bobbed in the water (lower, circle) for four minutes until a helicopter picked them up. (International Soundphotos)
